

MARIE BURNS

Author and Women's
Finance Speaker

DID YOU KNOW? _____

- 70% of all married women will experience widowhood
- 80% of all women will die single
- 90% of all women will eventually be solely in charge of their household finances

Bottom line: Women need to be comfortable or have the right resources and guidance available to get comfortable, with their finances.

AUDIENCE TAKEAWAYS: MARIE HELPS WOMEN... _____

- Eliminate the overwhelm of managing money
- See their finances as a foundation for making solid choices
- Reduce their financial stress, ensure retirement security and feel comfortable with less worry, more life.

Marie's goal is to help women get financially organized so life is less stressful for them and their families now and in the future.

“Marie is very knowledgeable, organized and professional! She shared much-needed insight and information on topics we will all eventually face. Very helpful!”

- New Adventures in Learning, Sun Lakes, AZ

“Marie's approach is that of a trusted family friend – she compassionately walks you through every step that needs to happen and when. This book completely overcomes the feeling of overwhelm.”

- Arlene Pedersen

ABOUT MARIE

Marie Burns, a Certified Financial Planner (CFP), has been advocating for clients' financial health for 20 years. She has helped clients with their financial lives in a bank setting, accounting firm, at Vanguard, at a financial planning firm and now writes, speaks, and educates as a financial advocate in her Mind, Money, Motion business and also has an independent advisory and investment management practice called Focus Point Planning. She volunteers in The Financial Awareness Foundation, local chapter of the Financial Planning Association, Senior Advocacy Group of Ahwatukee, Women's Leadership Committee at Mountain Park Church in Ahwatukee, author of a financial checklist book series, and podcast host of Mind, Money, Motion.

Speaking at the Harvard Club in Boston

Recommended Presentation

Don't Rely on Your Honey for Your Money!

Learn how to create better financial habits by getting financially organized. Leave with a checklist that will help to reduce your financial stress and cost for your family. Declutter your finances, update your documents, and have peace of mind that your wishes will be carried out as cost-effectively as possible. If you want to save your family time, money, and preserve family relationships in the end, this presentation is just what you need!

To learn more or book Marie Burns for your next event, contact us today. We will also work with you to create a Keynote or Breakout uniquely suited to your audience.
